

PARTNERSHIP AGREEMENT

New Brunswick Student Alliance & Fredericton Chamber of Commerce

Preface

This agreement shall be approved by both organisations' governing structures, each according to their own internal policies and bylaws;

Both the NBSA and the Chamber acknowledge the mutually beneficial nature of such a partnership and will endeavour to ensure its success moving forward; and

The final agreement of the partnership shall be made public and jointly announced in September 2017.

Preamble

This agreement is designed to outline the partnership between the New Brunswick Student Alliance (NBSA) and the Fredericton Chamber of Commerce (the Chamber) with the objective of expanding professional networking opportunities for postsecondary students in the City of Fredericton.

Principles

The NBSA is a proud and active member of the Chamber, representing almost 10,000 postsecondary students attending institutions in the City of Fredericton;

The NBSA and the Chamber recognise that postsecondary students and the postsecondary sector represent a critical part of the City's current and future economy;

The NBSA and the Chamber have a strong history of collaboration on economic development initiatives in the City of Fredericton and across the province;

The NBSA and the Chamber are two essential stakeholders in the economic development conversation in the Province of New Brunswick; and

Integrating postsecondary students into the labour market pre-graduation is a key step to enhancing post-graduation retention.

The Partnership

The NBSA and the Chamber agree to enter into a partnership, ratified by their respective oversight and governance bodies and processes, for two (2) years commencing in September 2017;

The NBSA's Home Office staff will sit on at least two (2) Chamber committees, namely Provincial Government Affairs and the Policy Committee;

Postsecondary students represented by the NBSA will be entitled to free access to Chamber professional networking events, namely Business After Hours and Business Over Breakfast;

Postsecondary students represented by the NBSA will also be entitled to register to Chamber events such as the Speaker Series and the State of the Province at member rates through the NBSA;

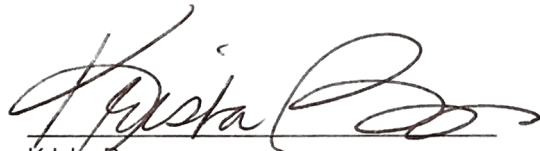

The NBSA and the Chamber shall endeavour to support each other's campaigns on issues of mutual agreement and importance wherever possible; and

The NBSA and the Chamber shall both act in good faith with regard to this partnership and in recognition of each other's interests.
