

**ATTN:** Karen Ludwig, Chair of the federal New Brunswick Caucus

**RE:** Response to US executive order

January 31, 2016

Dear Ms Ludwig,

I am writing to you today on behalf of the over 12,000 postsecondary students that this Alliance represents.

The Alliance stands in support of our public universities in New Brunswick and their response through Universities Canada to the US executive order restricting the mobility of individuals from seven Muslim-majority countries.

This ban runs counter to our central mission of accessibility to postsecondary education and limits the freedom of mobility of our members, who are your constituents and citizens. We also support calls for the ban to "end as quickly as possible". We urge the New Brunswick caucus to ensure the voices of your students are heard in Parliament.

Sincerely,

Robert Burroughs  
Executive Director, New Brunswick Student Alliance
